Client Experiences

"Aurelien has been amazing to work with over the last few months. He helped me explore a career dilemma which led me down a different path than I originally thought I would go down. He asked me probing questions, gave me homework assignments and shared insightful resources to help me make informed decisions. I truly felt Aurelien has been invested in my success and he even suggested we extend the time between sessions to ensure we were making the best use of our time together. Aurelien is truly passionate about helping others."

Beata Horecki

**Results Oriented Professional Senior Analyst

"DevelUpLeaders has been a fantastic partner in my Project Management journey. Way back in 2022 I signed up for coaching sessions with Aurelien, I learnt so much from his classes that got my career positively transformed, even after completing those coaching classes with him, I have developed a personal relationship of continuous learning with him.

The beauty of it is He treats everyone uniquely in such a way to learn your stories and work with you to define clearer strategies or pathways for a successful career journey as you navigate the job market.

Thank you always Aurelien!"

"I can't stress enough how helpful Aurelien has been to me in my professional career endeavors. His approach was very pragmatic. He truly provided me with a many resources to help me fine-tuning my resume, Linkedin networking, and job interviews. After implementing his methods, I was delighted to receive two job offers! Aurelien is very thoughtful and I appreciate the way he helped me see my strengths and build a solid brand for myself based on that! 100 percent recommend his services!"
